Tanking Comment to the set to the set of the	\$922,306 15
Leaving of annual interest to be provided for	n
by taxation or otherwise, the sum of	\$553,964 09
Great abuses of power and public confidence	have grown
up in our city management. With a shamef	
of the true intention of government and the in	
citizen and tax payer, large sums of money have	
from the City Treasury, merely to bestow pat	
partisan favorites. The Councils have sanctioned the clan-	
destine use of large sums of money without ac	
and for unworthy purposes; and in this way	
city debt, and also a large proportion of the annu	
of the City Government have been brought about	it. Cases of
